The spring-sowing plan was completed 20 percent as of 10 May by kolkhoses, peasant farms, and agricultural associations. Kolkhoses alone completed 32 percent of the spring sowing plan. The spring-sowing plan was completed 50 percent by sovkhoses of the Ministry of State Farms, including grains and leguminous vegetables, 85 percent.

MTSs of the Republic had completed the spring-work plan 71 percent as of 10 May, including Akbla MTS, 118 percent; Ryapina MTS, 115 percent; Torma MTS, 107 percent; Karula MTS, 106 percent; Pylva MTS 103 percent. The spring-work plan was also completed by Vynnu, Vikhula, Raaziku, Saare, and Andru MTSs.

The 1949 second-quarter plan for capital construction was fulfilled 28 percent in April in all branches of the national economy of the Republic.

Funds appropriated for the 1949 second quarter are being successfully utilized by the "Estonianets" Combine, construction projects of the Main Administration of Gas and Fuel Industry, Ministry of Food Industry, Ministry of Civilian Housing Construction, and Administration for Arts.

There was a considerable lag in the second-quarter plan for capital construction in the following ministries and enterprises: Estonsnergo, Ministry of Timber and Paper Industry, Ministry of Fish Industry, Main Administration of Automobile Transport, and Ministry of Agriculture.

A total of 16,000 square meters of housing was constructed and restored during 4 months of 1949 by ministries, administrations, local Soviets, and by the population itself with the help of State credit.
